

I.V. Solutions Ltd - Consultant Placement

I.V. Solutions Ltd support our customers' business needs by:

- **Providing consultants to supplement your team;** placements from 0.5 days upwards
 - **Supplying expert specialists to meet specific challenges** (strategists, quality experts, trainers, authors, editors, translators, and bid writers)
 - **Outsourcing of complete documentation projects to I.V. Solutions Ltd,** where we take full responsibility for the delivery of your documentation requirements
-

Why choose I.V. Solutions Ltd?

- **We can find the technical authoring consultants you need for your projects.** All candidates have passed our proven assessment test.
 - **We work only with expert technical writing consultants** who have worked successfully in blue-chip global organisations (typically over 20 years in the industry).
 - **We have a strong quality focus** and have developed a process for validating the quality of product documentation (*IVS Quality Audit*).
-

Examples of I.V. Solutions Ltd Projects:

- **Created enterprise resource planning documentation for global business services provider;** including localisation for multiple markets (e.g. Europe, Americas, Middle and Far-East)
 - **Defined and managed permanent and contractor recruitment process for multi-national technology business;** including creating a test for measuring technical writing skills
 - **Quality Audit for an international software company.** Always strategic in our approach, we used audit results to give guidance on training needs and process improvements.
-
